

ANNUAL REPORT 2000-2001

A MESSAGE FROM THE CHAIR OF THE BOARD AND THE PRESIDENT

Success satisfies some very basic human needs and that is exactly what *The Best Medicine* campaign is doing. The remarkable achievements in this fund raising enterprise are working beyond our expectations towards enhancing patient care, teaching and research at Mount Sinai Hospital.

In our report to you two years ago, we told you how thrilled we were to have raised \$109 million for Mount Sinai. At that time, spurred by our success, we set a new goal of \$125 million. Since then, with the continued enthusiasm, wisdom and leadership of *The Best Medicine* campaign Chair Lawrence Bloomberg, we have exceeded the \$150 million mark.

This outstanding achievement has identified our campaign as the largest and most successful health care fund raising effort in Canada. Through your generosity, a number of projects are now in place. These include: the world class Kimel Family MRI Centre; the newly renovated Schwartz/Reisman Emergency Centre; the Lawrence and Frances Bloomberg Department of Obstetrics and Gynaecology; and the Peter A. Silverman Centre for International Health.

Other important initiatives of the campaign further Mount Sinai's rank and reputation as a pre-eminent health care, teaching and research institution, serving the needs of our immediate community and beyond.

While it is the larger gifts to our hospital that attract the most attention, we applaud the tens of thousands of donors whose gifts range from \$5 to \$500 for selecting Mount Sinai as the beneficiary of their generosity. Many of these gifts are unrestricted, giving us the greatest flexibility to support priority needs as they arise.

Today, driven by the elation and the satisfaction of our experience, we have taken a bold step and identified the next target for *The Best Medicine* campaign – \$400 million. This will take the time, energy and commitment of everyone in our community.

We are confident that with your continued generosity and your support, we can reach this ambitious goal – a feat that will enable us to underscore more strongly than ever, Mount Sinai's leadership and our staff's commitment to providing *The Best Medicine*.

GIFTS OF LIFE INSURANCE POLICIES

One of the important means of making a
donation to a registered charity is the
donor's purchase of a life insurance policy.
Donors have the option of assigning the
charity as owner and beneficiary (irrevoca-
ble) or as a beneficiary only (revocable).

The tax benefits to the donor differ
depending on whether the gift is revocable
or irrevocable.

We wish to take this opportunity to
express our profound thanks to the
following donors who have purchased
such policies.
