

# Do you have Type 2 Diabetes?

If you are 18 years and older, and currently not taking insulin, you may be eligible to participate in a study evaluating the use of a mobile phone app for diabetes self-management.

- Receive an iPhone for 12 months
- Automatically transfer glucometer readings to the app
- Record meals photos
- Track steps using an activity monitor
- Set goals, track progress, and detect patterns
- Collect points for gift cards!

To learn more, please contact the study coordinator, Shivani Goyal, at (647) 979-3309.

Dr. Warren Molsaao is the investigator of this study.
