Registration

Registration is online only at the following website:

bit.ly/NationalForumFMMC2024

Important: There is **no registration fee** for attending this course but in order to qualify for MAINPRO+ credits, you must be registered for this program.

Registration closes on **FRIDAY May 3, 2024.**

Note: Only practicing Canadian family physicians or Family Medicine Residents-in-Training are eligible to register for this program.

Program Marketplace

An interactive poster session is scheduled before the lunch break. Interested participants are invited to present their posters illustrating the diversity of FM Maternity Care teaching programs across the country. We are particularly interested in any novel approaches, evaluation or any perspectives that you feel that your colleagues from across the country would benefit from hearing about.

If you wish to present a poster at this session please contact Denis Tsang at denis.tsang@sinaihealth.ca

If you have further questions about this program, please contact Denis Tsang at denis.tsang@sinaihealth.ca
