Directions by TTC Subway

Take the Spadina-University subway line to Queen's Park Station (College Street). Or take the College / Carlton streetcar to University Avenue.

The Hospital is south of College Street on the west side, at 600 University Avenue.

Directions by GO Transit

Take VIA Rail or GO Transit to Union Station. You can then walk up University Avenue (about 25 minutes at casual pace) or take the subway from Union Station north to Queen's Park Station.
